More about UandIWIN...

The UandIWIN system is "Revolutionizing The Way Insurance Agents Get Paid." It combines the traditional career support system and marketing strategies with a totally unique compensation plan. This powerful combination provides the individual insurance agent with the opportunity to build a multi-state insurance sales organization thru the use of LEVERAGE.

All successful business owners are faced with the challenge of increasing sales and income each year if they expect to stay in business. Insurance agents are certainly no exception. Business expenses are increasing at an alarming rate, while at the same time flat commission rates, strict underwriting and increasing premiums continue to put pressure on net sales volume.

Experienced agents realize that the only way to grow income year after year is to create LEVERAGE. Until now there hasn't been a vehicle...now there is...The "UandIWIN Success System" provides an opportunity for savvy agents to not only survive, but thrive, in a very lucrative but demanding business.
